

Bible for Life

The Bible is FOR LIFE – for every stage of life, for children, young adults and less young adults...

The Bible is for LIFE – life that is rich and tasty and eternal and given by God...

The Bible is FOR life – for living day by day, with guidance, inspiration

If that's the case,

- Why is the Bible so hard to read?
- Why are its various bits so different?
- How can we base our faith on it if there are so many different interpretations?
- How can ancient documents be helpful in our time, anyway?

If you have questions about the Bible that you would like answered, or if you would like to become more confident in opening its pages and finding out for yourself what God is saying to you, this course can help.

What will this course do for you?

- You will learn the overall story of the Bible and how it can help you live well
- You will gain in confidence as you read ancient writings
- You will explore some of the interesting themes that are found in the Bible
- You will probably come away with a desire to read the Bible more
- You will have fun in the life search for meaning and purpose

If you have responsibilities as a teacher or parent to help people understand their faith, this course can help. We will go quite a bit deeper than is normally possible in Bible studies or home groups, but We are convinced that it is worth the effort, because...

The Bible is for LIFE. Take this opportunity to get to know it better.

Venue

The course is jointly sponsored by the Faith and Life Institute and by Resurrection Lutheran Church, Indooroopilly, which worships in the chapel of St Peters College. We will begin by meeting at the chapel, and will then move to appropriate rooms for the various sessions.

To get there, the best entrances is from Lambert Rd, Indooroopilly. If driving from the direction of the Shopping Centre, drive past the Junior School to find the entrance. Park anywhere in the grounds that is safe for parking, the nearer the chapel the better.

Food

Morning and afternoon refreshments will be provided, but we suggest you bring a plate to share for lunch.
